Dear Professors Clements, Hickey, Poole, Gray, Cooper and Hunter, and Drs Matzke and Cumin,

On behalf of the Equity Office, I am writing to thank you for the information you provided to the Director of HR in support of Professor Rata's complaint. I appreciate the considerable time and expertise that went into its preparation. I would like to ask your permission to share key content with other relevant parties as it is a valuable and well-written summary that may benefit others. Please let me know whether you are comfortable with this.

I can also assure you that the Equity Office will not knowingly make any further inaccurate statements concerning scientific matters, and that any further complaints about scientific matters that come to the Equity Office will be referred to appropriate disciplinary experts.

Thank you for your time and engagement on these important topics.

With best wishes on behalf of the Equity Office.
